

Application for short-term authorisation to use radio frequencies for SNG transmission

Applicant's Reference

Applicant

A person not undertaking business	A natural person undertaking business	A legal person undertaking business
Foreigner		
Trade name, Company Reg. Number (undertaking person):	<input type="text"/>	
Name and surname of natural person or authorised person to act on behalf of legal person:	<input type="text"/>	
Place of residence, date of birth:	<input type="text"/>	
Contact (e-mail, tel.):	<input type="text"/>	

Purpose of use of radio frequencies

Service provided for whom, name of event:	<input type="text"/>
Place (address) of event:	<input type="text"/>
Starting date of operation:	<input type="text"/>
Last date of operation:	<input type="text"/>

Info regarding the transmitting SNG equipment

Number of transmitting equipment:	<input type="text"/>	Uplink e.i.r.p. [dBW]:	<input type="text"/>
Uplink frequency (-ies) / Polarization / Bandwidth, designation of emission:	<input type="text"/>		
Downlink frequency (-ies) / Polarization / Bandwidth, designation of emission:	<input type="text"/>		
Operating place (geographical coordinates in WGS-84 system):	<input type="text"/>		
Satellite (system provider, orbital position, transponder):	<input type="text"/>		
Antenna gain [dBi]:	<input type="text"/>	Antenna size [m]:	<input type="text"/>
Radiation diagram (e.g. reference to ITU-R Recs.):	<input type="text"/>		
Height of antenna above ground [m]:	<input type="text"/>		
Responsible operator (name, date of birth, tel., e-mail/fax to the operating point):	<input type="text"/>
