Irrespective of the above, if the Office fails to fulfil its obligations, you may contact the Office for the Protection of Personal Data to ensure that proper remedial action is taken.

## 2. The bid<sup>2</sup>

<b>2.1. Bid for the purpose of acquiring the first selection right for Auction Category "A2"<sup>3</sup></b>		
<b>Selection order</b>	<b>Amount in CZK million<sup>4</sup></b>	<b>Amount in words<sup>5</sup></b>
<b>1.</b>		
<b>2.</b>		
<b>3.</b>		
<b>4.</b>		

---

<sup>2</sup> The Applicant should indicate only the prices for the Auction Categories for which it has become Auction Winner. Other bids will not be taken into account.

<sup>3</sup> The number of Auction winners for A2 Auction category is determined by the Auction phase results (in each Auction category an **n** number of Auction winners will be declared but for the A2 Auction category maximum 5 Auction winners may be specified). On the basis of the bids' amounts or possible on the basis of other criteria defined in the chapter 7.7.1 of the ITT text, the order of the Auction winners will be determined according to which they will have the right to subsequently select specific frequency segments in the A2 Auction category. The applicant who became the Auction winner in the A2 Auction category thus may submit a bid independently for each selection ranking from the first ranking down to the (n-1) ranking. The first selection right will go to the Auction winner with the highest bid on the 1st line, the second selection right will go to the one of the remaining Auction winners who have submitted the second highest bid on the 2nd line, etc.

<sup>4</sup>The amount should be indicated in CZK millions with no decimal places (if there is a decimal point and figures behind it, the values behind the decimal point will not be taken into account).

<sup>5</sup> If there is difference, the amount indicated in words prevails

**2.2. Bid for the purpose of acquiring the first selection right for Auction Category “B3”<sup>6</sup>**

<sup>6</sup> The number of Auction winners for B3 Auction category is determined by the Auction phase results (in each Auction category an **n** number of Auction winners will be declared but for the B3 Auction category maximum 9 Auction winners may be specified). On the basis of the bids' amounts or possible on the basis of other criteria defined in the chapter 7.7.1 of the ITT text, the order of the Auction winners will be determined according to which they will have the right to subsequently select specific frequency segments in the B3 Auction category. The applicant who became the Auction winner in the B3 Auction category thus may submit a bid independently for each selection ranking from the first ranking down to the (n-1) ranking. The first selection right will go to the Auction winner with the highest bid on the 1st line, the second selection right will go to the one of the remaining Auction winners who have submitted the second highest bid on the 2nd line, etc.

<sup>7</sup>The amount should be indicated in CZK millions with no decimal places (if there is a decimal point and figures behind it, the values behind the decimal point will not be taken into account).

<sup>8</sup> If there is difference, the amount indicated in words prevails

<sup>9</sup> The number of Auction winners for C Auction category is determined by the Auction phase results (in each Auction category an **n** number of Auction winners will be declared but for the C Auction category maximum 7 Auction winners may be specified). On the basis of the bids' amounts or possible on the basis of other criteria defined in the chapter 7.7.1 of the ITT text, the order of the Auction winners will be determined according to which they will have the right to subsequently select specific frequency segments in the C Auction category. The applicant who became the Auction winner in the C Auction category thus may submit a bid independently for each selection ranking from the first ranking down to the (n-1) ranking. The first selection right will go to the Auction winner with the highest bid on the 1st line, the second selection right will go to the one of the remaining Auction winners who have submitted the second highest bid on the 2nd line, etc.

<sup>10</sup> The amount should be indicated in CZK millions with no decimal places (if there is a decimal point and figures behind it, the values behind the decimal point will not be taken into account).

<sup>11</sup> If there is difference, the amount indicated in words prevails

**2.4. Bid for the purpose of acquiring the first selection right for Auction Category “D<sup>12</sup>”**

<b>Selection order</b>	<b>Amount</b> in CZK million <sup>13</sup>	<b>Amount</b> in words <sup>14</sup>
<b>1.</b>		
<b>2.</b>

<sup>12</sup> The number of Auction winners for D Auction category is determined by the Auction phase results (in each Auction category an **n** number of Auction winners will be declared but for the D Auction category maximum 3 Auction winners may be specified). On the basis of the bids' amounts or possible on the basis of other criteria defined in the chapter 7.7.1 of the ITT text, the order of the Auction winners will be determined according to which they will have the right to subsequently select specific frequency segments in the D Auction category. The applicant who became the Auction winner in the D Auction category thus may submit a bid independently for each selection ranking from the first ranking down to the (n-1) ranking. The first selection right will go to the Auction winner with the highest bid on the 1st line, the second selection right will go to the one of the remaining Auction winners who have submitted the second highest bid on the 2nd line, etc.

<sup>13</sup> The amount should be indicated in CZK millions with no decimal places (if there is a decimal point and figures behind it, the values behind the decimal point will not be taken into account).

<sup>14</sup> If there is difference, the amount indicated in words prevails.

**3. The Applicant’s declaration**

The Applicant represents that it has familiarised with, and understands well, the conditions related to this Bid, as laid down in the ITT and the Appendices thereto, and that it accepts the conditions, rights and obligations related to the process of distribution of frequencies as indicated in Chapter 7.7 of the ITT.
